Reporting

Church Institute for Research and Advanced Training

* Required

Hello!

A person who has received a grant in the previous year is obligated to submit an annual report on the use of the grant. With this electronic form, you can report on the progress of the research and the use of the grant awarded by the Church Institute for Research and Advanced Training.

You can also use the same form to submit the final report on the completed research.

For assistance in filling out the form, please contact kirkontutkimusapuraha@evl.fi.

You can download a printout of the form's questions to help you to plan how to fill out the form in advance. Please reserve enough time to complete the form, since you cannot save the form before it has been fully completed. Your information will be processed in accordance with the privacy statement, please review the statement: <https://evl.fi/plus/kirkon-tutkimus/apurahat/>

Applicant's information

1. First Name *

2. Last name *

3. Telephone *

4. Email *

Please enter an email

Select report template

Interim report: Annual reporting of the grant received in the previous year.

Final report: After the research has been completed.

Interim and final report: If your research is completed during the previous year's grant period, you can simultaneously submit both the annual report on the use of the grant and the final report on the research and its results.

5. Select from the following: *

- Interim report
- Final report
- Interim and final report
